With over 30 years' experience researching, reviewing, and selecting Top Doctors, Castle Connolly is a trusted and credible healthcare research and information company. Our mission is to help people find the best healthcare by connecting patients with best-in-class healthcare providers.

Castle Connolly's physician-led team of researchers follows a rigorous screening process to select top doctors on both the national and regional levels. Its online nomination process is open to all licensed physicians in America who are able to nominate physicians in any medical specialty and in any part of the country, as well as indicate whether the nominated physician[s] is, in their opinion, among the best in their region in their medical specialty or among the best in the nation in their medical specialty.
